Where to Go

Harvest Festivals

Combine a celebration of fall, a farewell to summer, and Halloween into one great weekend and you have Harvest Festivals in Michigan's state parks. Make reservations early. The parks fill up fast for this last hurrah of the season.

Canoe, Kayak and Paddleboard

The water's great! Go for a paddle. Many of our parks offer canoe and kayak rentals. Try the newest craze, Stand-Up Paddleboarding. Board rentals are available at [Pinckney Recreation Area's](#) Silver Lake beach.

Meteors & S'mores

Mid-August offers peak viewing for nature's biggest light show, the Perseids meteor shower. Join park staff and local astronomers in parks and recreation areas across the state. Enjoy the gooey goodness of s'mores, then settle in and watch the show.

Universal Accessibility

Most parks offer universally accessible facilities. [Brighton Recreation Area](#) has an accessible beach, trail, fishing pier and an EZ Dock launch that enables individuals in wheelchairs to launch their own canoe or kayak.

Ralph A. MacMullan Conference Center

Ralph A. MacMullan Conference Center offers a natural, tranquil and inspiring

setting for nonprofit clubs, organizations and governmental or educational entities with an environmental focus to get away from modern distractions and focus on the task at hand.

Spray Park at Bay City Rec Area

[Bay City Recreation Area](#), home to the first spray park in Michigan's state park system, is a great way for families to safely enjoy water fun on hot summer days. The water park compliments the large playground situated next to it.

Greatest Beaches!

Michigan state parks, with their many miles of shoreline, offer some of the best beaches found anywhere. The shoreline at [Petoskey State Park](#) recently ranked among six favorite beaches from around the United States in a survey conducted by The Weather Channel.

Agate Hunting at Muskallonge Lake State Park

Rock hunters come from all over the world to search the waters of Lake Superior for the beautiful agates found there. [Muskallonge Lake State Park](#) on Lake Superior salutes the agate with their annual Rock On Agate Weekend each September.

Stargaze the Night Sky

[Lake Hudson Recreation Area](#), [Wilderness State Park](#) and [Port Crescent State Park](#) are considered dark sky preserves and offer pristine, undiluted night-sky viewing opportunities. Their combination of dark skies and clear horizons attract amateur astronomers year round.

Did you know?

Geocaching is a very popular activity in Michigan's state parks.

Caches are hidden everywhere. Grab the GPS and start hunting!

Scan this QR code for information about geocaching in Michigan state parks.

Leave No Trace

We encourage you to practice Leave No Trace when visiting your park or any outdoor trail or area. It is easy to do and allows others to enjoy the park, including animals that call it home.

The Leave No Trace Seven Principles are:

- Plan Ahead and Prepare
- Travel and Camp on Durable Surfaces
- Dispose of Waste Properly
- Leave What You Find
- Minimize Campfire Impacts
- Respect Wildlife
- Be Considerate of Other Visitors

What to Do

ORVing in Michigan State Parks

- **Clear Lake State Park** is one of the few state parks where ORV users can ride from their campsite to a trail head and back. No towing!
- **Baraga State Park** recently opened a new 35-mile ORV route connecting to **Twin Lakes State Park**.
- Ride the Bill Nichols multi-use trail from your **Twin Lakes State Park** campsite to Copper Harbor or all the way to the Wisconsin state line.
- **Muskellonge Lake State Park's** Pine Ridge Trail is a 49-mile stretch of cycle/ATV trail connecting to the Two-Hearted Trail.
- Silver Lake ORV area in **Silver Lake State Park** offers the only dune riding in Michigan. About 450 acres are available for ORVing.

Take in These Scenic Sites

- One of upper Michigan's most picturesque waterfalls, **Agate Falls** is located on the middle branch of the **Ontonagon River** near Trout Creek.
- **Interlochen State Park**-Launch your boat from Green Lake, then listen to the summer music concerts at Interlochen Center for the Arts.
- **Bond Falls** in Paulding tumbles over a thick belt of fractured rock, dividing it into many small cascades.
- **Wagner Falls** in Munising is nestled among virgin pine and hemlock trees. A half-mile trail from a parking area leads to an observation deck.
- **Laughing Whitefish Falls** near Sundel is the tallest waterfall in Michigan. Foot trails, a picnic area and observation decks are nearby.
- **Sturgeon Point** juts into Lake Huron

where waves hide a long, shallow reef extending a mile past visible land. Visit the historic lighthouse.

Rustic Camping in the State Forests

- **Lake Margrethe Campground** near the Manistee and Au Sable Rivers offers great canoeing opportunities. Reservations accepted at this campground.
- The six **Little Presque Isle** cabins near Marquette offer rustic log cabin getaways among the picturesque woodlands.
- **Big Bear Lake Campground** offers 30 sites on the sandy, north shore of Big Bear Lake near Gaylord.
- **Negwegon Back Country Campsites** offer four hike-in only campsites in a rustic area of Alpena County.
- **Elk Hill Equestrian Campground** is conveniently located next to the Shore-to-Shore Riding/Hiking Trail.

Disc Golf

- **Fort Custer Recreation Area's** front nine mixes open holes with elevation and technical shots. The back nine's fairways have a links-style layout.
- **Clear Lake State Park's** new nine-hole course, "The Memory," plays through wooded terrain that skirts the edge of the lake. This course is now wheelchair-accessible thanks to the stone pathway between holes.
- **Holly Recreation Area** has a few holes in open meadows, but is mostly a wooded course. There's an option to play 18 or 24 holes.
- **Newaygo State Park** offers 18 holes on the park's pro-quality course. The tight fairways make it a grueling challenge.
- **Sleepy Hollow State Park** offers a good mix of holes featuring technical, wooded and open fairways. Elevation and water also are factors.

Deluxe Cabins at Holly Recreation Area

Two new family-friendly cabins at [Holly Recreation Area](#) are taking "camping" to a whole new comfort level with two bedrooms, a kitchen, living area and indoor bathroom.

Animals in their natural habitat? How fascinating!

Wildlife abounds in Michigan. Some look furry and cuddly, but others are dangerous. Keep your distance from the ones listed below.

Scan here for more Expert Tips!

Eastern Massasauga Rattlesnake

Michigan's only venomous snake is a rare sight. They inhabit a variety of wetlands and upland woods throughout the Lower Peninsula.

Cougar

Once native to Michigan, cougars disappeared in the 1900s. In 2012 the DNR confirmed cougar sightings in the U.P. by use of trail camera photos.

Moose

Van Riper State Park is the center of moose country in the western U.P. Tahquamenon Falls State Park has great moose viewing in the eastern U.P.

Partners Give Back

The Park Visitor Welcome Map is created at no cost to the state of Michigan or taxpayers. Funding is generously provided by our partners, highlighted here in this map. In addition, 20% of the net proceeds are donated back to directly benefit Michigan State Parks & Recreation Areas. Supporting our partners is a great way to say "thank you" for their contribution to your state parks. For more information about the 20% For Parks program and your parks, please visit www.parkvisitor.com.

The Park Visitor Welcome Map is created by Good Solutions Group in partnership with Michigan State Parks & Recreation Areas. Nothing in this map should be taken to imply endorsement of products, services, or activities of partners by any governmental agency. To become a partner, call (626) 229-9991 or visit www.goodsolutionsgroup.com for more information..
